

Privacy Policy

Personal Data and Privacy Statement

The Personal Data and Privacy Statement is intended to protect the identification of this Site users. You can browse the Site pages freely without having to fill in the registration and enter personal data. In case in which you decide to use some of our specialized modules and services, it is necessary to send us the personal data requested in order to perform the service you have requested, but your personal data remains protected. The Site collects data that is necessary to perform the desired service.

Data Safety Ensuring

The Site purpose is to guarantee its users a reasonable level of personal data security. This refers to all personal data specifies during online registration, as well as all others ones entered on the Site in one or another way.

Information about The Competent Supervisory Authority for Personal Data Protection:

Commission for Personal Data Protection

Sofia 1592, 2, Prof. Tsvetan Lazarov blvd., phone: +359 2 915 3 518

We Do Not Provide the Data to Third Parties

When registering on the Site, users are required to provide personal data such as username, e-mail, phone, address and manually entered password. This data is used solely and exclusively for the purposes of the Site and is not provided in any form to third parties, except in cases where the performance of a service to the site requested by you depends on it.

Personal Data Changing or Deleting

The data, once entered by you in the database, can undergo changes, and in case in which you request this from us, we are obliged to delete them. At any time, the stated wish can be terminated by sending a refusal confirmation by e-mail.

If you have any questions or comments about the Privacy Policy, please contact us.
